Where did the powers go?

Short Story | Part II

One look at them and Sabu noticed something. They all had the sign of 'Jupiter's eye-The storm' on their hand.

Sabu and flew to Jupiter. The moment we landed there the same storm, that had whirled us on Earth came circling around. But this time, Sabu stood strong against it. He shielded us and suddenly Dabu appeared from within the storm. He was riding the Toothless, with Riptide in his one hand and Harry's wand in the other, wearing Arceus's ring. Ah! so here the powers were. As Sabu and Dabu stood facing each other, Chacha Chowdhary picked up a stone and threw it at Toothless. This angered him and he galloped and tried to break free. Dabu lost control and fell to the ground. Sabu pounced upon him and wrestling ensued in which Dabu dropped Riptide and wand. Sabu defeated Dabu and the soldiers of Titan came and chained him again. The powers were in right hands ie with my superheroes. We thanked Chacha Chowdhary and Sabu for helping us.

Origami bird

Material required
■ Origami paper

Procedure

- 1 Take a square origami paper.
- 2 Fold the paper across the diagonal so that you get two equal triangles.
- 3 Take the longer side of the triangle as the base and fold it towards the tip of the triangle. Don't make this flap too thin because this will be the wings.
- 4 Turn the paper over.
- 5 Take tip of the triangle (only the upper layer) and fold it upwards more than halfway.
- 6 Fold it in half by folding left side over to the right.
- 7 Take the top flap and fold it backwards halfway.
- 8 Repeat with the other flap. These are the wings.
- 9 Push the center of the tip of the triangle above the wings inside and flatten.
- 10 Your bird is ready to fly! Decorate it in your room.

Hope once again rose in our hearts and minds as we saw Harry Potter. Arceus, Percy, Hiccup and I grew hopeful that Harry would just cast the magical spell accio thrice and get all the powers back in no time. We rushed to Harry, but he was looking for something in the soil. We asked him, what was he looking for? "Oh! in the storm I dropped my wand and now I don't see it anywhere", Harry replied. Alas! our last hope was shattered. What was happening? We told Harry about how the 'ring', 'Riptide'

the sword and 'Toothless' the dragon, all the symbols of powers had gone missing. Harry looked gloomy and helpless. There I was, with all my superheroes, sitting powerless, sad and defeated. I felt so bad. I wanted to make them happy and powerful again, but how? Suddenly, I saw a little old figure peeping from behind a tree. There I saw, an old man with red turban, white moustache and stick in his hand. He was Chacha Chowdhary, the one whose mind runs faster than computer. I jumped with joy and hugged him. I told him, how all superheroes have lost

their powers and couldn't find those. Chacha Chowdhary and Sabu rushed back with me to where our heroes were. One look at them and Sabu noticed something. They all had the sign of 'Jupiter's eye-The storm' on their hand. "Chachaji, I think my evil twin Dabu who has escaped the prison on Jupiter has stolen their powers. Look at the sign of 'Jupiter's eye' on their hands. It's Dabu's sign." "What do we do now, Dabu has become very powerful," said Arceus. To this Chacha Chowdhary said, "Hey guys, don't be disheartened. Sabu will take you to Jupiter to get your powers back." We all sat upon the strong shoulders of

POEM

Every day is Earth Day

Will be dry someday
Sea will rise
And land will be gobbled away

Before our colourful Earth
Fully turns Grey
Let us start celebrating
Each day as Earth Day

Our beloved Earth
Will not be liveable one day
If we don't start celebrating
Each day as Earth Day

Sky will be covered
With dust and smog
Our lungs will become
Choked and clogged

For clean air
To breathe everyday
We may have to pay
Money one day

With no ozone to save us
From ultraviolet rays
Misery of floods and droughts
Will hit always

We will have no forests
No grasslands to play
If we do not start celebrating
Each day as Earth Day

Taps wells and rivers
