to the clarion call by Prime Min-

ister Narendra Modi, for elimi-

nating the use of single use

plastic from our daily lives. The

aim of the activity was to sensi-

tise the young future citizens

about a healthy and pollution

free environment, and the harm-

ful effects of plastic on animals,

All the students brought steel

tiffins and bottles, and cloth pen-

humans, and aquatic life.

iny tots of Class I cele-

brated July 12, 2022 as

aim to apprise them of the cyber space threats. The event was graced by Benita Mary Jaiker, Deputy Commissioner of Police, South; Inspector Anil Malik,

It was followed by a question and answer session wherein students put forth several queries about cyber security and potential threats, that were answered to their satisfaction. They under-

stood the seriousness of the increasing cyber crimes, and the need to be prudent when they are on a virtual platform. GI SHO Saket; Inspector Arun

During circle time they were shown informative videos, and were apprised of small steps they can take in daily life to reduce

the use of plastic. They also pledged to save the environment by using reusable cloth bags and steel containers to carry food. GIT

Saviours of tomorrow

Championing Biodiversity

AERC

Tandini Aggarwal (XI), and Aryan Thukral (XII) from AIS Gurugram 46, along with Harshita Pareek (XII) and Gargi Jhunjhunwala (XI) from AIS Vasundhara 6, participated in WWF-Model Conference of Parties (3) from June 13-16, 2022, and on July 4, 2022. An initiative by World Wildlife Fund (WWF) India, MCOP-3 is a simulation of the Harshita Pareek Convention of Bio-

logical Diversity (CBD) bodies, that involves the students in various decisionmaking processes and enables them to gain the required knowledge to combat various environmental issues. It is held annually by WWF, a worldwide organisation committed to protect biodiversity and nature, in partnership with bodies like UNEP, UNDP, NBA, CBD and IUCN-CEC. The conference included informative sessions by experts, including Dr Vinod Mathur, chairman (National Biodiversity

Authority of India); K Bharat Reddy, youth ambassador, UN CBD; and Chantal Robichaud, associate program management officer, Youth Focal Point CBD, and many more. During the conference, delegates were divided into groups, wherein they formulated action plans on the

> agenda given to them. Harshita Pareek, Gargi Jhunjhunwala and Nandini Aggarwal gave a presentation on 'Rainwater harvesting and wetland conservation'. They presented a smart

action plan, highlighting importance of commitment.

The conference was attended by 76 student delegates, selected from 28 states and 8 UT's pan India. The session was also live streamed on YouTube and various other sites to showcase the young talent.

Post the conference, Harshita Pareek of AIS Vas 6 was appointed as the Additional Secretary of the MCOP-3 Student Council to carry forward the initiative throughout the year.

Heritage assembly

AIS Gwalior

The school organised a heritage assembly on river Krishna on July 18, 2022. The assembly aimed at apprising students about the rich culture and heritage of river Krishna. It commenced with Chetna Bhardwaj and Tamana Gurjar of Class VI chanting shlokas accompanied by the melodious instrumental music by

students of Class IV-VII. Aanvikshika Gupta of Class VIII delivered a speech and Kanishka of Class VII conducted a quiz on river Krishna. Class IV students performed a skit and the enthralling dance performance by the girls of Class V was a complete showstopper. The assembly concluded with a vote of thanks by Aashvi Tripathi of Class IX, followed by the school song and National Anthem. G
