

The future is here

NYRC 2.0 - A Showcase Of Grit And Wit

Winners with Chairperson and esteemed dignitaries at the event

ACSF

The grand finale of the second edition of 'National Youth Robotics Challenge (NYRC) 2025', was hosted by AIS Noida on May 2, 2026. It brought together young innovators and robotics enthusiasts from all across India. Organised by Amity Children's Science Foundation (ACSF), the annual event proved to be a dynamic, national platform for promoting STEM education, creativity, and practical learning among school students.

The finale was graced by Dr (Mrs) Amita Chauhan, Chairperson, Amity Group of Schools & RBEF, along with special guest Bhuvnesh Kumar Sharma, CEO, Transpipe Integrity Solutions Pvt. Ltd. It witnessed a total of 115 school teams from various parts of the country qualifying for the

finale through rigorous regional rounds conducted at multiple venues including AIS Mayur Vihar, AIS Gurugram 46, AIS Navi Mumbai, AIS VKC Lucknow, and AIS Raipur. Following a competitive selection process, 205 teams advanced to compete in the national finale, showcasing technical proficiency and creative edge.

The finale featured eight diverse and challenging categories, namely Robo War, Robo Soccer, Robo Race, Maze Solver, RC Car Race, Innovation Showdown, Drone Race, and Line Follower Robot Race. Each competition was carefully designed to test specific aspects of robotics, including mechanical design, programming logic, automation, sensor integration, and real-world problem-solving abilities. The top-performing teams across all categories were rewarded and acknowledged for

their excellence, with a total of 54 prizes awarded to the students from various schools including Amity Group of Schools. First prize winners were awarded with a cash prize of 5000 INR, while second and third prize winners were conferred with 3000 INR and 2000 INR respectively.

Mr Bhuvnesh Kumar Sharma shared valuable industry insights, emphasising the growing relevance of robotics and automation in real-world applications. He encouraged students to align their learning with the ever-evolving demands of the industry and cultivating a critical thinking approach to innovation. Adding on to the same, Chairperson inspired students to adopt a scientific outlook - integrating technology with creativity to develop effective solutions to challenges of the real world. [GT](#)

On a creative sojourn

AERC

Students from various Amity Group of Schools achieved top honours at the Day of Russian Languages, Literature and Culture, held on February 11, 2026 at the Russian Centre of Science and Culture, New Delhi. The event, facilitated by the Amity Educational Resource Centre (AERC), witnessed enthusiastic participation from over 200 students across nine schools of

Delhi / NCR, celebrating artistic expression, linguistic appreciation, and cultural exchange. They participated in a host of creative competitions and exhibited their artistic flair.

Amity International School, Mayur Vihar secured first position in the quiz competition and third position in the dance and song competition. Amity International School, Saket achieved second position in both Russian dance and Russian costume pre-

sentation, while AIS Pushp Vihar secured third position in fancy dress competition.

This exuberant event of languages and culture offered students valuable exposure to Russian language, culture, and artistic traditions, while enhancing their presentation skills and creativity. It proved to be a significant and meaningful learning experience, fostering confidence, creativity, and a deeper sense of intercultural understanding.

Sri Sri Ravi Shankar felicitates water champions at the event

Water Warriors

AIS Saket

The school was conferred with Jal Yoddha Samman Award on March 28, 2026 at the sixth Edition of Jal Yoddha Samman 2025, at the Vishalakshi Mantap, Art of Living International Center, Bengaluru. The award was conferred for emerging as a distinguished contributor amongst 35 awardees nationally towards water conservation initiatives. The felicitation ceremony was graced by Gurudev Sri Sri Ravi Shankar who bestowed the Jal Yoddha Samman upon national and international water warriors. The award won under the leadership of Dr (Mrs) Amita Chauhan, Chairperson, Amity Group of Schools & RBEF, and guidance of school principal Divya Bhatia

is a testament to Amity's vision of integrating environmental stewardship into education.

Organised under the theme 'Water Conservation' by Sarkaritel.com, the event brought together policymakers and global water warriors to deliberate on pressing water challenges and innovative solutions. A session by Ameya Sathaye, CEO & editor-in-chief of Sarkaritel.com followed by panel discussions highlighted community-driven initiatives to save water. A special highlight of the event was 'Jal Samvad with Padma Shree Awardees', where water champions shared their inspiring journeys and grassroots innovations followed by the launch of Jal Yoddha Samman souvenir and a book by veteran water expert Shri Raj Kumar Malhotra. For the book lovers

AIS Vasundhara 6

To commemorate 'World Book Day', a special literary activity was organised for the students of Class VI - VII on April 23, 2026.

Titled 'From Biographies to SDGs: Inspiring Lives, Global Goals', the objective of the activity was to encourage reading habits, deepen understanding of inspirational personalities, and connect their life journeys with sustainable development goals.

Students were invited to explore and select biographies of eminent personalities from the library collection, read them, and discuss substantial features of how they analyse the values, achievements, and contributions of these individuals. They presented their insights through brief writeups. For instance, while learning about

Students engage with books

social reformers like Annie Besant, Vinoba Bhave, Sarojini Naidu, and Malala Yousafzai, students connected their contributions to SDG 10: reduced inequalities. Similarly, biographies of innovators and pioneers, such as Steve Jobs and Marie Curie, helped them relate to SDG 4: quality education. [GT](#)
